

Me Now, how do I introduce this? The 60's film, The Fantastic Voyage

We The point is... **REVELATION TAKES US INTO THE MIND OF GOD- WHERE I FIND ALL THAT I NEED**

God	Text	Trans: the great consummation of all things- we've come from creation to consummation. This is not a book, whose primary mission is a calendar for you, but a primer on the character of God- not a focus on your plans, but a ratified constitution of the eternal plan of God.
1	God 2-3	WE SEE HELP FOR THE CHURCH: What does God think about our church ?
2		What about its attitudes... Pride...its teachability... Has it lost an interest in the love of Christ?
3	7	WE SEE HOPE FOR THE SUFFERING: What about those martyred for standing?
4		Martyrs:
5	19	WE SEE HARM FOR THE GODLESS: The judgment of God is certain.
6		We should never assume that judgment/ correction is a matter to be taken lightly by God. (2 Peter). God's authority extends beyond mine and He will judge unrighteousness and much of Revelation speaks to that very point!
7	21	WE SEE HARMONY FOR THE EARTH: The final answer for a troubled world:
8		At last the final solution though not at all what Hitler thought it would look like. At last, a right answer for the countless Miss Americas whose desires always seem to end in "world peace."
9	You	You would do well: 1. Listen to the Shepherd's voice: Rev. 3:20
10		2. Heed the warnings of the persecuted.
11		3. Pursue a passion for righteousness: Be wary of casual, half-hearted living
12		4. Welcome the plan of God: Even so come, quickly Lord Jesus!
13	Close	In the FANTASTIC VOYAGE , humans found themselves in miniature, making their way, to the very center of the human body.
14	Close	Revelation takes us in reality, into the very mind if God, where we find, love, a purpose, and a future!
